Kaunas NGOs Support Center – 63370 LTL

For the period of the project *Stimulation of co-operation between NGO Information and support centers, co-ordination of common activities* NGO centers will organize regular meetings relating to the activities and conditions of NGOs and discuss ways of improving them. NGOs centers' staff and volunteers will be trained to provide a high and attainable quality professional service. The same format NGO database will be installed in each of the NGO centers. For all other forms of information held by NGO centers, there will be an easy and convenient system of access and exchange implemented. A homepage of "Tinklas" will be created to offer instant access for NGOs who want to know more about the work of NGOs centers. Areas covered will include: working for the third sector, an updated list of seminars and training courses, literature relevant to all aspects of NGOs activities. At the end of the project an information leaflet will be produced, outlining "Tinklas" and the support services offered by NGO centers.

Lithuanian Association of Social Workers Klaipeda Sector – 17045 LTL

The project *Social rehabilitation of persons out off imprisonment in Klaipeda* aimed at insuring social integration of such kind of persons to city community and to prevent causes of recurrent offences. This category of people has not deserved so much attention and there has been insufficient efforts working with them. Coming back to the community life after imprisonment is a difficult social process and many persons tend to be offenders again, because of difficulties to find solution for rehabilitation in normal social life.
